The Jordan D. Savage Memorial Scholarship

Despite his many medical challenges, Jordan D. Savage, graduated from Rockdale County High School. He had been accepted at several colleges but decided to attend Oglethorpe University in the fall of 2014 before his passing at age 19 due to complications from Lupus. Throughout his courageous battle with Lupus, Jordan's love of sports never diminished. Jordan played baseball for RCHS, and he assisted as a team manager for Rockdale's girls' soccer. He also played baseball and basketball for Riverside Military Academy. Jordan's knowledge of all sports was only surpassed by his passion for them.
