Dear Parent/Guardian:

We believe that your involvement with your child's education is essential to their academic and future success. To honor our commitment to provide the best possible educational experience for your child and work with you in that effort, we would like to invite you to help us develop or revise our *School-Parent Compact*, *School Parent and Family Engagement Plan, Schoolwide Plan/ CNA, and the District Parent and Family Engagement Policy.*

We have planned to hold virtual meetings that will be dedicated to this important collaboration. The first meeting is scheduled for *Thursday, April 28, 2022, at 7:00 pm*. There may be additional meetings for us to complete this project.

Each school receiving funds under Title I, Part A of ESEA, must develop a written ***School Parent and Family Engagement Plan*** jointly with, and agreed upon by, parents of participating students. The Plan that we develop with you will integrate all the parental involvement strategies, activities and services for programs that may be offered at our school.

Additionally, as part of its parental involvement plan, the schools must jointly develop with parents a ***School-Parent Compact***. This written agreement must identify and outline those activities the school's staff, parents, and students will use to build a partnership, and the activities they will undertake in their shared responsibility to improve the academic achievement and to help children achieve the State's high academic standards.

To assist schoolwide program schools to meet their responsibility to provide for all their students served, the opportunity to meet the State's challenging student academic achievement standards in subjects determined by the state, each schoolwide program shall create a ***Schoolwide CNA Plan***. The schools must involve parents in an organized, ongoing and timely way, in the planning, review and revision of the Schoolwide CNA Plan.

We invite you to join us by investing your time and commitment in the future success of all our students.

Sincerely,

Dr. Brandi Johnson
Principal
