

Student Logins Summarized

LOGIN: 9 + first initial + last name + unique number (if others have same initial/last name)

EXAMPLES: 9jdyer or 9jsmith6

PASSWORD: 9 + first initial + last initial + last 5 #'s of Student ID

EXAMPLES: 9jd12345 or 9js98765

Where can your student login get you?

On your laptop or school computer: add students\ to the login.

EXAMPLE: students\9jdyer

On My Big Campus: Be sure to type in your school **FIRST** before you log in.

On the Parent Portal: Yes! You can check your own grades! Just use your login!

On Email: All email is **DISABLED** on laptops and school computers, but you get a new, **FREE** Rockdale email address. Your **NEW** email address is login@students.rockdale.k12.ga.us

EXAMPLE: 9jdyer@students.rockdale.k12.ga.us and password is the same.

On Office 365: This is a **FREE** online version of Microsoft Office that works in your browser!

- Works with Internet Explorer, Firefox, and Safari, but **NOT** Chrome.
- Go to **portal.office.com** to access email and Office 365. Do **NOT** go to **ANY** other Microsoft website!
- On the login screen, type your new Rockdale email address and password.
- If you get a pop-up window, retype your **FULL** Rockdale email address and password.
- Here is what you get in Office 365...
 - **Email Access** (go to the Outlook App).
 - **OneDrive Access**—this is a **FREE** cloud drive that you should use to save all school work.
 - **Office Online**—work with OneDrive files and you don't have to worry about copying/downloading.
 - **Up to five FREE copies of Microsoft Office 2013**—Go to Gear Icon—Office 365 Settings—Install and Manage Software to download it for FREE!
